# FOREWORD

... And so another group of Port Huron seniors passes on to that last endearing tribute of high school--graduation...

Let our obligation and goal be that of showing that we can use what we have learned here. By so doing, the memory of our high school years will become a little dearer with each reminiscing thought.

### WOULD YOU LIKE TO GO TO EUROPE?

For many of our readers, the question of whether or not to go to Europe is a very real one. The answer, of course, depends on many factors, including the cost of travel, the time of year, and the interests of the individual. However, for those who are considering a trip to Europe, there are many things to be aware of. First, it is important to choose the right time to go. The best time to visit Europe is during the summer months, when the weather is warm and the crowds are at their peak. However, if you are looking for a quieter experience, the shoulder months of April and May might be a better choice. Second, it is important to have a good idea of what you want to see and do. Europe is a vast continent with a wide variety of sights and experiences. From the ancient ruins of Rome to the modern architecture of New York City, there is something for everyone. Finally, it is important to have a good budget. Europe can be an expensive place to visit, but there are many ways to save money. For example, you can travel during the off-peak season, or you can choose to stay in a budget hotel or a hostel. By taking these factors into account, you can make the most of your trip to Europe.

## STUDENT COUNCIL COMMITTEES AT WORK

The main work of the Student Council is carried on by committees which are: Activity, Pep Assembly, Trophy, Building and Maintenance, Party, Publicity, Clubs, and Elections.

Student Council activities began before school actually started this year when members of the Council welcomed the new tenth graders, and distributed handbooks explaining school procedure and activities to them.

The main project for the first semester was the Homecoming--plans included the assembly, parade, bonfire, pep rally, and the election of the new queens. The magazine sale occurred the second semester. Many pieces of new equipment have been purchased through profits from this sale.

Annual projects of the Council were the Teachers' Tea and the Christmas tree.

The Council is faced with many projects and suggestions throughout the year; two which have been successful are the menu board, and the new honor roll.

Daily services include paper sales, and filling the stamp machine.

The Council has members on the Youth and Child Welfare Committee, the Citizens Committee for Municipal improvements, and the Athletic Board of Control.

The Council is a member of the Eastern Michigan Congress Conference, the National Council of Student Councils, and the Port Huron Foundations.

Charity activities this year included the collection of food for distribution by the Crippled Children' Fund, and the Tornado Fund.

## "DEAR RUTH"

A few seconds after the curtain rose on "Dear Ruth," the audience knew it was headed for a hilarious evening of laughs. The play centered on Ruth Wilkins, and her younger sister, Meriam, who tried to be a morale booster to the armed services by writing to several servicemen

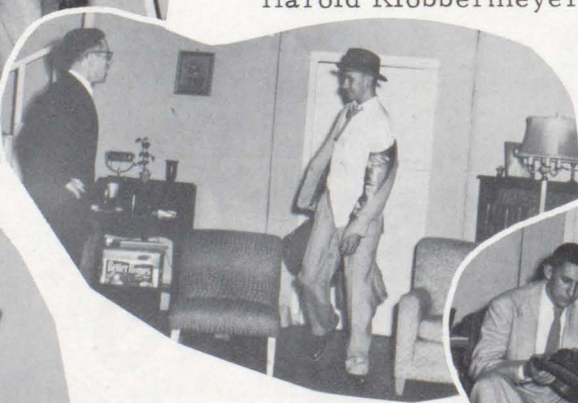

and signing Ruth's name. She also sent Ruth's picture, but her little scheme backfired when one of the servicemen (Bill) showed up to visit Ruth. Meriam turned Red with embarrassment. However, Ruth fell in love with Bill and consented to marry him although she was already engaged to Albert--more complications. This left Meriam to face the rest of the servicemen.

## GRAMERCY GHOST

"Gramercy Ghost," directed by Miss Yates, was the story of Nancy Willard, the girl with the unwanted spirit in her apartment. She had three devoted males on her

string: a wealthy young stuffed shirt to whom she was engaged: a dashing newspaperman: and the ghost himself-or itself! Since Mr. Ghost was visible only to Nancy, the newspaperman was bewildered; but he set out to exercise the revolutionary

"hangover!" The stuffy fiance thought that his sweetheart had gone daffy and called in a psychiatric crew. Meanwhile the benign ghost took a hand in straightening out Nancy's life. Shirley Treend and Nancy Crawford were student directors.

## TENTH GRADE FOOTBALL

The little Reds had an even record this year. Playing six games, they won two, and tied two. There are several good ball players who will help strengthen the varsity in the future.

Port Huron's Big Reds were terrific in their 1953 football season, topping the State record with 26 consecutive wins over a three-year period finally stopped by Grosse Pointe, who won 7-0.

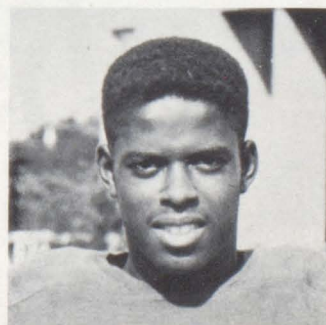

Although the Big Reds failed in their attempt to keep the State's best football winning streak alive, they set a scoring record for local football with a total of 288 points for the year. Overall, one of the lightest of Port Huron's better teams over the years, the '53 Reds made up for it with speed and sharp charging in the line. In scoring 288 points, the Big Reds rushed for 38 touchdowns and passed for five. There were two field goals kicked and the extra point was made 24 times. The Reds picked up a net 2,452 yards running, to 628 by the nine opponents. In passing, the Big Reds conceded on edge; 413 yards to 438 for the opponents.

Bob Boyd, Dave Winfield, and Al Davis topped the one-hundred mark in total carries, and all averaged better than five yards per crack. Davis was the team's top scorer with 101 points on 12 touchdowns, 24 conversions, and two field goals; the first kicked by a local player since 1930. Winfield scored 11 touchdowns, Bob Boyd 10, Lyle McAuley 4, Dave Baker 3 and Ray Wilkins, Walt Redmond, and Bill Robinson one each.

# VARSITY BASKETBALL

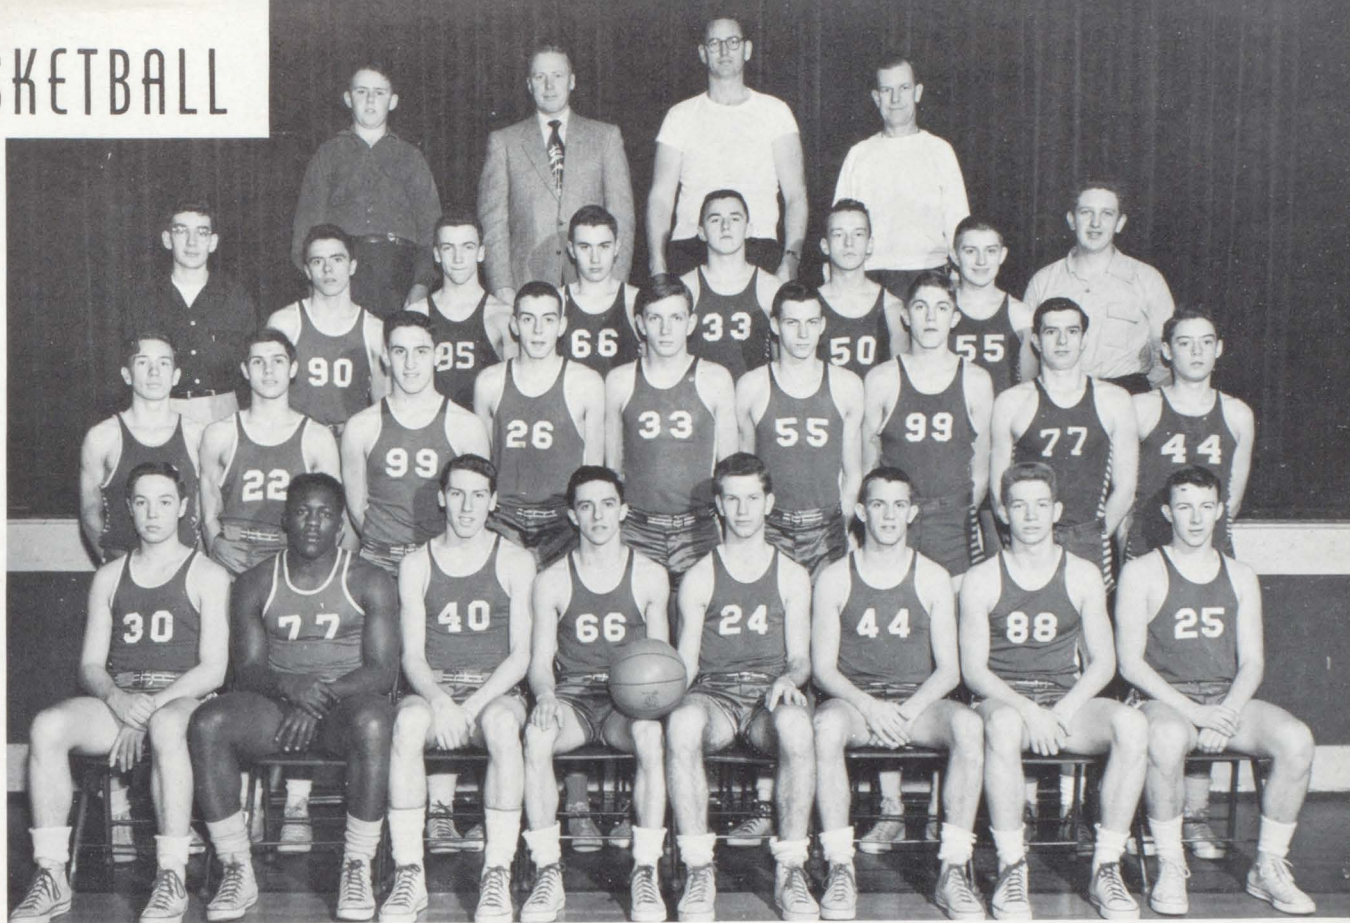

Coach Reed Laughlin

JOHN THOMAS was presented the Clarence Phare Memorial trophy for displaying the best sportsmanship during his school life.

# BASKETBALL

ROW ONE, LEFT TO RIGHT: Mike Faust, Clarence Cureton, Lyle McAuley, Jack McDonald, Paul Heald, John Thomas, Marvin Schott, Roger Hanton. ROW TWO, LEFT TO RIGHT: Bob Hart, Don Capps, Dick Turner, Ed Ranklin, Jerry Gonsor, Jerry McClure, Carl Chandler, Jerry Wine, Gaylord Forbes. ROW THREE, LEFT TO RIGHT: Jim Rhadigan, manager; Art McDonald, Chick Robinson, Dick Walker, Jim Kearly, Ron Stroud, Bob Treend, Sherman Jennings, manager. ROW FOUR, LEFT TO RIGHT: Butch Stanley, manager; Mr. Fowler, athletic director; Mr. Hayes, 10th grade coach; Mr. Laughlin, varsity coach.

Handicapped by inexperience, lack of height, and injuries, the 1953-54 Big Reds won only three games while dropping fourteen. When Dick Daly and Ray Wilkens graduated after the first eight games, Lyle McAuley was left as the only letter winner from the last year. Then in the ninth game, Lyle suffered a sprained ankle and was out for the next three weeks. However, this team accomplished a win in the opening round of the State Regional tournament. Lapeer was the victim. This is the first game a Port Huron team has won in the tournament in the past three years.

Seniors Jack McDonald, John Thomas, and Paul Heald finished their careers against Saginaw Arthur Hill in the tournament at Flint. Jack was a sensational long-shot artist and play maker deluxe with his sharp and fancy passes. John developed the spirit of the team and developed into one of the leading scorers. Paul Heald contributed one of the highest shooting averages per game. He was exceptional with his shots from the corner of the court. Jack and John were named honorary Co-Captains at the season's end.

At the Winter-Sports Banquet on March 16, Dick Daly was named winner of the Rotary Award symbolic of the outstanding basketball player of the year. Dick contributed 105 points in the eight games he played and was an outstanding floor leader. John Thomas received the Clarence Phare trophy in recognition of his grand sportsmanship during the year. Always first to congratulate his opponents, co-operation with coaches and teammates, and a great fighting spirit whether in the game or on the bench, were some of the qualities John contributed to earn this award.

Letter winners for the season were Don Capps, Ed Rankin, Dick Turner (all Sophomores) Clarence Cureton, Roger Hanton, Lyle McAuley, Jerry McClure, Marvin Schott (all Juniors) Paul Heald, Jack McDonald, John Thomas, and Dick Daly (all Seniors).

The tenth grade team also won three games during the year. Gaylord Forbes and Carl Chandler were high scorers with others turning in good play during the year.

Sherman Jennings and Jim Rhadigan won awards as student managers of the team for the year.

# TRACK

The year's track team finished the season with six losses and one win, but four of the losses were very close. At the Regional meet they placed third. Captain Albert Russell scored at the State Meet as well as being top scorer on the team. Returning lettermen were: Lyle McAuley, John Thomas, Dave Baler, Earl Shell, Jack McDonald, Jack Bradley, Ed Brune, Douglas Hanton, and Louis Masters.

ROW ONE, LEFT TO RIGHT: Jerry Spadafore, Dick Johnseck, Bud Shell, Doug Hanton, Albert Russell, Dave Baker, Walker Archer, Jerry Nordgren. # GOLF

The 1953 version of the golf team enjoyed one of its best seasons. The team won nine and lost one.

They tied for third place in the regionals held at Black River Country Club, and were tenth in the State tournament held at Jackson. The team tied for second in the Eastern Michigan League meet.

Returning lettermen were: Jerry Provost, Jack Cowan, and Jim Crichton.
